

# ***Христос Воскрес!!!***

## ***Christ is Risen!!!***

***For this reason, I have died.....***

How many times do you walk out of your house or apartment and find someone lying on the steps because he is intoxicated with alcohol or high on drugs? Well, in Russia, it's very common to see this. When we find people in this state, we always stop and pray for them. What's most amazing is that they always remember our prayers! Often they come back and ask how they can go into the Teen Challenge program. In your church, how many people do you know who have committed murder or served a prison sentence? In the church in Novokuznetsk, over half of the Teen Challenge staff have served at least one prison sentence. How many people do you know who are HIV positive? Over half of the students in the TC Siberia program are infected with HIV.

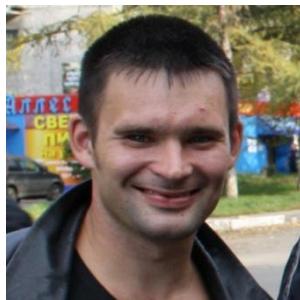

***Where sin abounds, grace abounds much more!*** This Easter, as we remember our precious Lord and Savior's sacrifice on the cross, we humbly bow down in worship to our mighty God who is saving people in all levels of society and setting them free from the bondage of sin. Where would we be without the Lord? The believers in Siberia want to say, "Thank you, Jesus, for your death on the cross and your resurrection! Thank you for saving us and setting us free!" We'd also like to thank you, our dear friends and family, for all your prayers and support that have made it possible for us to serve here for 17 years. Thank you for sharing in this ministry with us! Although the social problems are great throughout the region, there's no other place where we'd rather live.

***The same power that God used to raise Christ from the dead, is still transforming lives in incredible ways over 2000 years later!***

We'd like to introduce you to staff at the Source of Life Teen Challenge Siberia and the church in Novokuznetsk.

*And they overcame by the blood of the Lamb and the word of their testimony. Revelation 12:11*

Through these testimonies, may God encourage you this Easter that He still does miracles today and is able to forgive and set anyone free from the deepest sin through the blood of Jesus Christ! As we celebrate Christ's resurrection this Easter, our prayer is that you would know and experience God's resurrection power to overcome every difficulty in your life.

God bless you always!

With much love,

Ilya and Janet
