

# CHRIST IS RISEN!

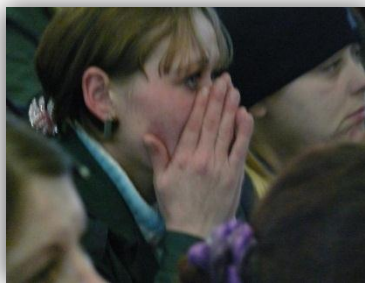

## AND WORTHY OF ALL HONOR AND PRAISE!

### BAPTISM BEFORE EASTER

We're thankful to the Lord for 53 new believers who were baptized this month! In the past several years more men have been baptized than women. We praise God for saving men in our city because in the early years of the ministry mostly women came to Christ.

### WOMEN'S PRISON

Volunteers from the church presented gifts to 229 children whose mothers are incarcerated. The mothers were so touched after receiving letters of thanks from their children that they broke down and cried. One hundred and fifty women now attend weekly services in the prison.

A new ministry has begun in the tuberculosis hospital. Many are turning to the Lord and are attending weekly services which are held right in the hospital.

### TB PATIENTS

### 20<sup>TH</sup> ANNIVERSARY

This month we celebrated our 20th wedding anniversary! We're so grateful to God for bringing us together to serve Him. Thank you for your prayers over the years that have made it possible for us to live and minister in Russia for 18 years!

May God give you grace and strength to overcome in every situation in life as we remember the power of His resurrection! God bless you this Easter!

With much love,  
Ilya and Janet
