**TEEN CHALLENGE SIBERIA**

**Celebrating what God is doing in Novokuznetsk, Russia!**

## THE MINISTRY:

In 1993, a young pastor and his wife, Ilya and Janet Bantseev, moved to Novokuznetsk, Siberia, Russia to pioneer a church—which has since

grown to 1,000 members strong, and is known as Novoilynskaya Church.

Although Pastor Ilya and his church faced great opposition, they persevered to establish a vibrant and effective church. At the same time, they also observed the great problem with alcoholism and drug addiction throughout Siberia.

As a result, they opened a small residential drug rehab centre—now called Teen Challenge Siberia.

The success of this ministry was so great that news spread and grew over several short years to 6 locations today with over

150 ex-drug addicts and alcoholics living onsite!

## THE PROGRAM:

The 18 month program leads ‘students’ through detox, counselling, discipleship and a six-month internship. Most come off the streets and dark alleyways with little more than the clothes on their back.

The largest Teen Challenge centre in Siberia also includes ministry for women and their children.

In each of these centres, students have opportunity to learn valuable work skills through “The Year of Jubilee Company,” a Teen Challenge non-profit

business that produces Russian frozen foods, house linens, and carpentry goods.

Today, hundreds of young men and women have graduated from these programs, and their transformed lives continue to be a testimony of God’s grace and goodness!
